

Technical drawing of a rectangular plate. The top view shows a rectangle with a width of 58.64 and a height of 40.76. The plate has four rounded corners with a radius of 2.00. The text "BOPORBLIQ.COM" is printed in the center. The bottom view shows the plate's thickness, which is 1.50. The side view shows the plate's profile, which is a rectangle with a height of 5.00.

Technical drawing of a rectangular plate. The top view shows a plate with a width of 53.31 and a height of 40.78. The plate has rounded corners with a radius of 2.00. There are four circular holes, one in each corner, with a diameter of $\varnothing 3$. The distance from the top edge to the center of the top holes is 5, and the distance from the bottom edge to the center of the bottom holes is 10.00. The distance between the centers of the left holes is 53.31, and the distance between the centers of the right holes is 40.78. The side view shows a plate with a thickness of 1.50 and a total height of 5.00. The side view also shows the rounded corners with a radius of 2.00.

Technical drawing of a mechanical part showing top and side views with dimensions.

Top View Dimensions:

- Overall width: 33.98
- Overall height: 25.83
- Distance from left edge to center of left hole: 20.90
- Distance from right edge to center of right hole: 2.00
- Radius of outer corners: R3.74
- Radius of inner corners: R3.75
- Distance from top edge to center of top hole: 2.00
- Hole diameter: $\varnothing 3.49$

Side View Dimensions:

- Overall height: 5.00
- Distance from bottom edge to top of part: 1.50

Technical drawing of a rectangular plate with rounded corners. The main view shows a plate with a width of 10.05, a height of 46.27, and a corner radius of R3.79. It features two circular holes with a diameter of Ø3.58. A detail view shows a rectangular section with a width of 1.50 and a height of 5.00.
